This trip is always a highlight for members and friends and sells out quickly. We will do a trip to Seattle, visiting the historic Pike St. Market and the downtown area on the first day and provide more time for shopping and enjoying the resort while at the Tulalip Casino Resort. Near the hotel are the Cabela's Sports store, the 24 hour Walmart and all the numerous Factory Outlets. The hotel provides a free shuttle to each of these places as well as to the area across the highway with additional shops and restaurants. You can also take the shuttle to visit the Hibub Cultural center on one of the days or the local bus to other areas.

As usual, the hotel will be very festive with seasonal decorations, Christmas shops and several nice lounges and restaurants to meet and enjoy time with other members/friends.

To book a seat, send your cheque payable to Vancouver Fraser Heritage Club. Seats will be confirmed upon payment. (Note: the company reserves the right to modify the price if the USD currency rate changes significantly).

There is no cancellation after September 1, 2020 but name changes are welcome if other people are available to fill your seat.
